“ Lyxor Euro 6M is a cash management fund designed to address the persistent low interest rate environment ”

INVESTMENT OBJECTIVE

Lyxor Euro 6M was launched to generate attractive returns while maintaining a risk/return profile close to that of money market funds under normal market conditions. The aim is to achieve a net performance above the EONIA rate over an investment horizon of six to twelve months. It is a short-term*, liquid* investment with a SRRI equal to 1.

HIGH QUALITY LIQUID ASSETS

The investment universe of LYXOR EURO 6M consists of short-term sovereign and corporate vanilla bonds, mainly denominated in euros and with a minimum rating of BBB-**, excluding issues rated BBB- with negative outlook. The Fund complies with strict credit, interest rate and liquidity risk management constraints. The fund also applies sectoral, geographical and issuer diversification rules. They exclude securitised or highly structured instruments.

AN EXPERIENCED MANAGEMENT TEAM***

The investment team is composed of 4 managers and 24 analysts. It manages 26 billion euros (as of January 2020) in HQLA-type and treasury solutions. Lyxor has developed a bond market liquidity measurement tool in partnership with Euroclear. Jean Sayegh, Head of Bond Management, oversaw this project.

*: The criteria used to categorize the "short-term" and "liquid" funds were defined by Lyxor. Liquidity is dependent on market conditions.

** : The lowest credit rating between Moody's, S&P and Fitch must be greater than or equal to BBB-.

***: On average, the management team has over 12 years of experience.

NO RECIPIENT OF THIS DOCUMENT MAY DISTRIBUTE IT TO ANY OTHER PERSON. This material is of a commercial nature and not a regulatory nature. This document is confidential and may be neither communicated to any third party (with the exception of external advisors on the condition that they themselves respect this confidentiality undertaking) nor copied in whole or in part, without the prior written consent of Lyxor AM or Société Générale. Authorizations: Lyxor Asset Management is a French management company authorized by the Autorité des marchés financiers and placed under the regulations of the UCITS (2009/65/EC) and AIFM (2011/61/EU) Directives. Lyxor AM is also a registered Commodity Pool Operator and a Commodity Trading Advisor under the U.S. Commodity Futures and Trade Commission. Lyxor AM is a member of the National Futures Association.

Société Générale is a French credit institution (bank) authorised by the Autorité de contrôle prudentiel et de résolution (the French Prudential Control Authority). Lyxor Investment Funds is an investment company with Variable Capital (SICAV) incorporated under Luxembourg Law, listed on the official list of Undertakings for Collective Investment, authorised under Part I of the Luxembourg Law of 17th December 2010 (the "2010 Law") on Undertakings for Collective Investment in accordance with provisions of the Directive 2009/65/EC (the "2009 Directive") and subject to the supervision of the Commission de Surveillance du Secteur Financier (CSSF).

The product is a sub-fund of Lyxor Investment Funds and has been approved by the CSSF.

The fund complies with the UCITS Directive (2009/65/EC).

Société Générale and Lyxor AM recommend that investors read carefully the "risk factors" section of the product's prospectus and Key Investor Information Document (KIID). The prospectus in English and the KIID in the relevant local language (for all the countries referred to, in this document as a country in which a public offer of the product is authorised) are available free of charge on lyxor.com or upon request to legal-crm@lyxor.com. Prior to investing in the product, investors should seek independent financial, tax, accounting and legal advice. It is each investor's responsibility to ascertain that it is authorised to subscribe, or invest into this product.

This document together with the prospectus and/or more generally any information or documents with respect to or in connection with the Fund does not constitute an offer for sale or solicitation of an offer for sale in any jurisdiction (i) in which such offer or solicitation is not authorized, (ii) in which the person making such offer or solicitation is not qualified to do so, or (iii) to any person to whom it is unlawful to make such offer or solicitation. In addition, the shares are not registered under the U.S Securities Act of 1933 and may not be directly or indirectly offered or sold in the United States (including its territories or possessions) or to or for the benefit of a U.S Person (being a "United State Person" within the meaning of Regulation S under the Securities Act of 1933 of the United States, as amended, and/or any person not included in the definition of "Non-United States Person" within the meaning of Section 4.7 (a) (1) (iv) of the rules of the U.S. Commodity Futures Trading Commission).

No U.S federal or state securities commission has reviewed or approved this document and more generally any documents with respect to or in connection with the fund. Any representation to the contrary is a criminal offence.

This document is of a commercial nature and not of a regulatory nature. This document does not constitute an offer, or an invitation to make an offer, from Société Générale, Lyxor Asset Management (together with its affiliates, Lyxor AM) or any of their respective subsidiaries to purchase or sell the product referred to herein.

This fund includes a risk of capital loss. The redemption value of this fund may be less than the amount initially invested. The value of this fund can go down as well as up and the return upon the investment will therefore necessarily be variable. In a worst case scenario, investors could sustain the loss of their entire investment. The obtaining of the tax advantages or treatments defined in this document (as the case may be) depends on each investor's particular tax status, the jurisdiction from which it invests as well as applicable laws. This tax treatment can be modified at any time. We recommend to investors who wish to obtain further information on their tax status that they seek assistance from their tax advisor.

The attention of the investor is drawn to the fact that the net asset value stated in this document (as the case may be) cannot be used as a basis for subscriptions and/or redemptions.

The market information displayed in this document is based on data at a given moment and may change from time to time.
